

SENATE DEFERS
VOTE ON TARIFFSugar Schedule Is Approved
Without Amendment.

RAW WOOL ON THE FREE LIST

Efforts to Restore Duty and Lower
Rates on Woolen Manufactured
Goods All Meet With Defeat.
Amendment to Allow Farmers to
Manufacture Denatured Alcohol Is
Agreed to Without Opposition.Washington, Sept. 9.—The senate
will vote finally on the Democratic
tariff bill this afternoon at 4 o'clock.
Democratic lines stood solidly
against the final onslaught of the tar-
iff.With party leaders urging their col-
leagues on to approval of the bill the
ranks closed up against the anti-free
wool and anti-free sugar forces and
defeated all amendments to the bill
as fast as they came to the vote.Attempts to restore a duty on raw
wool and lower the duty on woolen
manufactured goods, made in success-
ful amendments by Senators La Fol-
lette, Catron and Penrose, were de-
feated without the loss of a party vote.
An amendment by Chairman Sim-
mons of the finance committee to
enable farmers to manufacture denatured
alcohol was agreed to without opposi-
tion.The sugar schedule, without amend-
ment and including the provision for
free sugar in 1916, was finally agreed
to.Among the amendments defeated
was that of Senator Norris for a
heavy tax on inheritances. This was
beaten, 58 to 12, the following Republi-
cans joining the Democrats in voting
against it:Senators Brandegee, Catron, Clark
of Wyoming, Colt, Fall, Gallinger,
Jackson, Lippitt, Lodge, Oliver, Pen-
rose, Perkins, Root, Sherman and
Sutherland.

La Follette's Efforts Fail.

Two attempts by Senator La Fol-
lette to procure the adoption of sub-
stitutes for the Democratic wool tar-
iff failed by strict party votes.There remained the prospect of a
final wool vote when the single item
of free wool was reported in the free
list of the bill.Senators Bristow and James engaged
in a lively debate over the tobacco
tariff which aroused applause from the
crowds in the gallery.Senator Warren called the vice
president's attention to a rule that
there should be no applause."I am very grateful to the senator
from Wyoming for calling my attention
to the rule," said Mr. Marshall.
"but on careful inspection of the rules
I fail to find it."Senator Bacon, Democrat, took is-
sue with the vice president, declaring
that while he had the profoundest re-
spect for the vice president and
wished to give no offense, he earnest-
ly wished him to revise his statement
that there was nothing in the rules
of the senate giving him authority to
preserve order."There has been as much disorder
here at the instance of senators, some
of whom are the most insistent about
the rules, as there has been in the
galleries," he added."As to following precedent the
chair is not one of those to be bound
by any precedent."

Final Fight Over Wool.

The first hint of the final fight over
free raw wool came when Senator
La Follette introduced a general sub-
stitute for the wool tariff sections of
the Underwood-Simmons bill.The La Follette wool plan came as
a surprise to the Democratic side.
Instead of the expected 15 per cent
duty on raw wool after Jan. 1 next
his substitute proposed a general cut
of the wool rates, based on a 30 per
cent raw wool duty for 1914; a 25 per
cent duty for 1915 and a 15 per cent
duty after Jan. 1, 1916.While the high woolen tariff rates
of the present law came in for much
of Senator La Follette's criticism he
insisted that the Democratic bill did
not treat the wool raising industry
fairly.He declared the wool duty was
about the only tariff duty from which
the farmer profited.When the vote came the substitute
was defeated, 41 to 28, and im-
mediately afterward Senator La Fol-
lette offered another amendment to
fix a straight 15 per cent duty on
wool and this was promptly voted
down, 30 to 20. The wool substitute
was defeated viva voce.The debate over Senator Norris' in-
heritance tax amendment brought
strong condemnation from him and
from other senators of the alleged
laxity with which the taxation and
revenue laws dealt with large for-
tunes and large incomes.The Norris amendment was beaten,
57 to 12.Hit Both Ways.

proved.WARDEN DECLINES
TO HONOR PARDONNew York Governorship Case
Is Now in Court.Kingston, N. Y., Sept. 9.—Only two
questions were presented in the ha-
beas corpus proceedings resulting
from the refusal of Warden Hayes of
the Blackwell's Island penitentiary to
recognize the pardon granted by Gov-
ernor Sulzer to Joseph G. Robin, when
the matter was argued before
Supreme Court Justice Hasbrouck.The questions were, first, whether
the assembly had a right to act as
an impeaching body during an extra-
ordinary session called for another
purpose, and, second, whether the
filing of articles of impeachment by the
assembly acts as a check upon the
governor's exercise of executive func-
tions.After listening to arguments Jus-
tice Hasbrouck reserved decision and
requested that briefs be presented in
two days.The entire matter as submitted to
the court rests solely upon the leg-
ality of Governor Sulzer's pardon.A decision on this question is de-
sired by both sides from the supreme
court, the appellate division and the
court of appeals before the Sulzer
impeachment trial begins Sept. 18, the
legality of the pardon depending, ac-
cording to statements of counsel,
upon the determination of the legality
of the impeachment.

ASK EMPLOYEES TO ASSIST

New Haven Officials Urge Need of
Studying Rules.New York, Sept. 9.—In an open let-
ter addressed to the 2,000 engineers
and other employees of the New York,
New Haven and Hartford railroad
Howard Elliott and J. H. Hustis, re-
spectively president and vice presi-
dent of the company, appealed to the
employees for help."We need your help and we wish to
help you. Each must help the other
if this road is to be run safely," their
letter says.The officials urge upon engineers es-
pecially the need of studying the rules
for the operation of trains, declaring
that the Bar Harbor express wreck
last week "would not have occurred
had the rules been observed strictly
and good judgment, born of experience,
been displayed."

Movement Instituted to Hold Them
to Their Word.Joliet, Ill., Sept. 9.—As a result of
the secret oath taken by the forty-five
convicts detailed to work on the roads
near Dixon to hunt down any of their
number who broke their word of
honor there was instituted at the
local penitentiary a movement, fathered
by State Probation Officer Clelland,
for a national organization of paroled
convicts who should strive to hold
paroled convicts to their word and to
hunt down those who break parole.The convicts announced their
hearty approval of the idea and re-
quested that steps be made imme-
diately to carry out the idea.

FOURTH TRIAL IS POSTPONED

Two Important Witnesses in Case
Against Dr. Hyde Dead.Kansas City, Sept. 9.—The fourth
trial of Dr. B. Clarke Hyde for the
alleged murder of Colonel Thomas H.
Swope was postponed as the prosecu-
tor explained he was without funds
to prosecute, and was having difficulty
in getting witnesses together.Since the original case began two
important witnesses have died. These
were Dr. G. T. Wyman, the Swope
family physician, and Miss Lou E.
Van Noy, nurse to Colonel Swope.

TAXING POWER QUESTION.

Democratic Theory For Many Years
Has Been That the Government Has
No Power to Levy Taxes Except For
Revenue Purposes—Tilt on Tariff Bill
Between Senators.

By ARTHUR W. DUNN.

Washington, Sept. 9.—[Special.]—
With a stiff graduated income tax
made a part of the tariff bill, with a
prohibition against speculating in
stocks on exchanges save by paying a
high tax, with a currency measure
more liberal than any ever proposed, it
would appear that the country is get-
ting along toward doctrines which
were enunciated by the Populists at
Ocala, Fla., back in 1890, when there
was a general wave of disapproval ex-
pressed by men of both old parties.Many things which that platform
contended for were put forward by
Theodore Roosevelt, and others are be-
ing incorporated into law by Woodrow
Wilson. A few more remain to be
considered, such as the inheritance
tax, government ownership and the
initiative and referendum. Thus do
we see rapid progress toward rule of
the people.

The Taxing Power.

It has been a Democratic theory for
many years that the government has
no power to levy taxes except for re-
venue purposes. It was claimed that in
taxing state bank issues out of exist-
ence the government was going beyond
its rights; also in levying such a heavy
tax on oleomargarine. When Senator
Clarke of Arkansas was urging his
amendment to tax futures in cotton
Senator Borah of Idaho brought out
the acknowledgment that the tax was
designed to stop such "wind" sales
rather than to produce revenue.

Getting In His Work.

During the discussion of the Hetch
Hetchy matter in the house Congress-
man Kinkaid of New Jersey took the
floor for five minutes and during that
time got in his work in behalf of a
naval station on the Jersey side of
New York bay."The members of the naval commit-
tee visited that place this summer,"
said Kinkaid, "and I expect them to
speak later of the hospitality of the
Eighth New Jersey district. That they
realize well that this was an ideal
place for a naval base I need no more
than to say that the members of the
committee are the most intelligent of
any committee in the house."The applause which greeted this
statement showed that the members
fully appreciated Kinkaid's effort.

The Chosen Few.

Senator Norris of Nebraska, speak-
ing about the tariff bill, said some-
thing about its having been framed
by the chosen few."I do not know that we ought to be
insulted by being called the chosen
few," said John Sharp Williams rather
warmly."I did not offer it as an insult," re-
plied Norris."We may be few, and we may be
chosen," continued Williams, "but we
were at least chosen. The chosen few
happen to be a majority in this cham-
ber and were chosen by the American
people.""The chosen few who framed this
bill are only a small minority of the
majority," replied Norris.But the controversy did not end
there, for the Mississippi senator was
never known to let anybody have the
last word in any discussion.

New England Air.

Defending the conditions in the tex-
tile mills of New England, Senator
Gallinger said that "there is better
air in those mills than in the senate
chamber, the bureau of engraving and
printing, the pension office or the cen-
sus office."Senators have at one time or an-
other complained of the foul air in the
senate, and all the employees of the
offices mentioned will agree with Gal-
linger that the ventilation couldn't be
much worse in any kind of mill.

Other Good Dressers.

A number of people in the gallery
were discussing the clothes of sena-
tors and representatives, induced to do so
by the appearance of Senator Jim Han-
ley of Illinois."There are senators that dress just
as well as Lewis," said one, "and any
number of men in the house who are
his equals.""That may be true," replied another,
"but they don't advertise it so much."

Where Anything Goes.

Senator Sherman of Illinois was
making a speech on the tariff. Senator
James Hamilton Lewis of Illinois was
presiding, when Senator Oliver inter-
rupted and made the point of no
quorum."The chair," said Lewis impressively,
"informs the senator from Illinois
that the senator from Pennsylvania
suggests the absence of a quorum.
Does the senator yield?""I have no complaint to make," re-
plied Sherman, "because, as the pres-
ent occupant of the chair knows, we
are used to a stockyards district, where
anything goes."

Cornered.

"Love conquers all things," said Ver-
gil. But he forgot the tight shoe with
a corn inside it.—Cleveland Leader.

PLEASES HALDANEChancellor Is Interviewed on
Board the Lusitania.Fishguard, Eng., Sept. 9.—Lord Hal-
dane and his sister, Miss Haldane, ar-
rived here on the Lusitania on their
return from the convention of the
American Bar association at Montreal.The lord chancellor received a press
correspondent on board the liner. He
smilingly observed that now that he
was home again his position as a min-
ister prevented him from giving inter-
views. Nevertheless, he described the
general impression that his brief visit
to the United States and Canada had
made on him."Our reception," Lord Haldane said,
"was of a most cordial nature. We met
with nothing but almost over-
whelming kindness and attention. The
Americans and Canadians seemed to
vie with each other in this respect,
but the most impressive feature of the
visit was the remarkable unanimity
at the great meeting at Montreal.
After it was over a very distinguished
American made the remark, 'We seem
to be the people today,' and the state-
ment was no exaggeration of the ob-
vious sentiment of the thousands who
had assembled. The enthusiasm with
which the king's message was receiv-
ed by Canadians and Americans alike
was striking."Miss Haldane was greatly impressed
by the American women, who, she
said, "are cram full of vitality."

by Mayor Howard and numerous
speakers.A resolution refuting his statements
was unanimously adopted by 1,000

GAMBLING ACCUSATION FAILS

After Hearing the Evidence at Coat-
cook, Que., the Judge Declares Mr.
Jerome's Arrest Excusable Neither
in Law Nor in Fact—New York At-
torney Thanks the Court and Speaks
Flatteringly of His Reception in
Canada.Coaticook, Que., Sept. 9.—William
Travers Jerome was acquitted of the
charge of having gambled last Thurs-
day on the station property of the
Grand Trunk railway here while wait-
ing for the immigration authorities to
pass on the case of Harry K. Thaw.In discharging him the court apolo-
gized for the humiliation to which he
had been subjected.The hearing before Magistrate Mul-
vena of Sherbrooke lasted less than an
hour and at the close the court said,
"Sir you are honorably discharged."When acquitted Mr. Jerome thanked
the court, spoke flatteringly of his re-
ception in Canada and added that he
did not attribute his arrest and brief
imprisonment last week to the think-
ing people of the Dominion.Townpeople packed the courtroom
when the hearing was opened. Every
inch of standing room was occupied
and the bold among the auditors ad-
vanced in a semi-circle about the
counsel table and perched at the sides
of the dais upon which the magistrate
sat.A. C. Jacobs, crown prosecutor, opened
the case with the reading of the
complaint of Milford Aldrich, a
mill hand, who swore that he had seen
the defendant playing cards for money
at the railway station.

Laws Show Heavy Penalty.

Statutes were quoted to show that
this was an indictable offense punish-
able with a year's imprisonment.
Michael Knight, aged sixty-five,
leaning on a black thorn stick, took
the stand—that is, the witness box
being full of spectators, he stood in
front of the bench.He had seen the defendant playing
"a little game of draw" in the station
yard, he said. The defendant had
been pointed out to him as Jerome of
New York.Fred Chesley, a younger man than
Knight, testified on direct examination
that he had seen the defendant play-
ing cards for money."Did you see him win any?" asked
Jacobs."I saw him take it," replied the wit-
ness.Magistrate Mulvena leaned back and
pondered for no more than fifty sec-
onds."In rendering judgment," he said, "I
shall be very brief. I believe every
right minded man in Canada regrets
and feels humiliation at the indignity
which has been placed upon you.""It is excusable neither in law nor
in fact. The evidence adduced at this
hearing gives no reasons for the
charge which was laid against you,
nor for the indignities which you have
suffered.""I believe, sir, in all the circum-
stances you will not attribute the ap-
parent offense offered you while in a
friendly country in the discharge of
your duty as a public officer to the
real thinking people of this commu-
nity. You, sir, honorably are dis-
charged."

BLACK SILK STOVE POLISH
Keeps Your Stove "Always Ready for Company"
A bright, clean, glossy stove is the joy and pride of every housekeeper. But it is hard to keep a stove nice and shiny—unless Black Silk Stove Polish is used.
Here is the reason: Black Silk Stove Polish sticks right to the iron. It doesn't rub off or dust off. Its shine lasts four times longer than the shine of any other polish. You only need to polish one-fourth as often, yet your stove will be cleaner, brighter and better looking than it has been since you first bought it. Use on your parlor stove, kitchen stove or gas stove. Get a can from your hardware or stove dealer. If you do not find it better than any other stove polish you have ever used before, your dealer is authorized to refund your money. But we feel sure you will agree with the thousands of other up-to-date women who are now using Black Silk Stove Polish and who say it is the "best stove polish ever made."
LIQUID OR PASTE ONE QUALITY
Be sure to get the genuine. Black Spk Stove Polish costs you no more than the ordinary kind. Keep your grates, registers, fenders and stove pipes bright and free from rusting by using BLACK SILK AIR-DRYING ENAMEL. Brush free with each can of enamel only.
Use BLACK SILK METAL POLISH for silverware, nickel, tinware or brass. It works quickly, easily, and leaves a brilliant surface. It has no equal for use on automobiles.

NEW COURT HOUSE AND CITY HALL

P. B. Nettleton Urges Building of
New Structure for Both
Purposes

NEARER TO BUSINESS CENTER

Thinks It Desirable That Site of
New Structure Should be
Changed

The following communication explains itself:
To the Editor:

In view of the actual conceded necessity of increasing the capacity of the county court house by new additions or otherwise, and as the question is now before the county commissioners and an advisory committee for action, I beg to suggest that the above named parties go farther and consider the desirability and practicability of uniting with the City of Brainerd in building a new modern combined court house and city hall, worthy of the city and county. We need a city hall right now. We need a larger court house. The amount required to enlarge the present building will go a good ways towards a new one. A combined building could be built relatively cheaper than one and it would be more convenient to all, and besides it would be modern and better in every way. Some proper use or disposition could be made of the old building and grounds. I would favor the new building going nearer the heart of the city. I do not like to pay taxes any more than any one else but wish to go on record as favoring a new modern combined court house and city hall close in for the County of Crow Wing and City of Brainerd.

P. B. NETTLETON.

At 6:30 o'clock tonight the members of the First Methodist Episcopal Bible school will have a great after vacation get together. The event will be held on the church lawn.

A record has been carefully kept of each class and the five classes whose percentage of attendance is largest either at home or wherever their vacation took them will be loyally entertained tonight. The secretary will not announce the names of the fortunate classes until tonight, so the interest is great.

Notice to Eagles

All members are urged to attend our next regular meeting on Tuesday evening, September 9th. There will be initiation, refreshments, music, etc.

TWO CHILDREN BADLY BURNED

By a Fire that Somewhat Damaged
the Residence of Jesse Parent
on South 5th Street

Matches were the cause of another fire, at the home of Jesse Parent, 402 South Fifth Street. Mrs. Parent had been cleaning the bed where the children sleep, with gasoline. The fire burned their faces and bodies severely. The youngest child, a boy of three years is in a critical condition. The oldest is badly burned about the face. He had escaped through the window near the bed but returned to help his brother, in doing so he got the burns from which he is now suffering. The second oldest boy is burned about the side of the face. The house was not damaged to any great extent.

Mrs. Parent is the sister of George MacDonald, who a short time ago killed himself by taking carbolic acid. She says that troubles seem to be multiplying upon her. Dr. R. A. Beise is in attendance.

ALSO A COPY TO THE MAYOR

Two Members of the Charter Commission Declined to Sign the
New Charter

Brainerd's new progressive charter has been carefully typewritten and signed and placed with Secretary Cohen, of the charter commission, to give a copy each to the council and the mayor.

The charter was signed by President of the Charter Commission, A. J. Halsted, Secretary Cohen and the following members: Zapffe, Michael, Paine, Elder, Kronberg, Wright, Wise, Hempstead, Cullen, Evanson and LaBar. Two members of the commission withheld their signatures: Betzold and Ilse.

After being presented to the council that body must submit it at a special election within 90 days.

Arrangements are now being made for the printing of the charter and a thorough circulation is being provided for.

After this is done and it is freely circulated it should be carefully read by every voter of the city. The commission has labored faithfully to produce a good charter and every voter should read it carefully before deciding whether he shall vote for it or not.

UNION REVIVAL CAMPAIGN PLANNED

Ministerial Association So Decides
at its Meeting on Monday
Evening

WILL BE HELD IN THE SPRING

And Evangelists Lowry and Parker
of Cedar Falls, Iowa, are Asked
To Make Campaign

The ministers of this city are planning on a series of evangelistic meetings to be held next April and May. At the Ministerial association meeting held yesterday afternoon in the Y. M. C. A. rooms it was decided to invite Evangelists Lowry and Parker of Cedar Falls, Iowa, to make the campaign.

These men are widely known in the evangelistic fields. Mr. Lowry has had great success in many different places throughout the country. In the cities of northern Minnesota where he has labored there have been scores of testimonials received as to his proficiency.

Mr. Parker is his singer and is a power in the organization of chorus choirs.

It requires a guarantee fund of \$1500 to secure these men. This is for the purpose of building a tabernacle, doing the advertising and for the entertainment of his trained band of workers. The committee appointed by the ministers to secure this guarantee fund consists of W. J. Lowrie, R. E. Cody, Bernard Campbell, E. E. Satterlee, G. P. Sheridan, M. L. Hostager and A. Zabel.

They were instructed to proceed at once to secure signatures of those who were willing to finance this movement. The churches of the city are all invited to ally themselves with this project for past experience has taught that the way to secure the greatest results lies in the co-operation of all.

The primary object of these meetings is that there may be a marked revival of moral and religious enthusiasm on the part of all our citizens and a quickening of whatever makes for the welfare and prosperity of the city.

Brainerd has iron mines which are bound to bring us great material wealth, the shops are a constant source of riches, our parks and schools reflect credit upon us, but upon the churches rest the largest responsibility of all, the caring and nurturing of the religious life of the people.

Minister Praises This Laxative

Rev. H. Stubenvill of Allison, Ia., in praising Dr. King's New Life Pills for constipation, writes: "Dr. King's New Life Pills are such perfect pills no home should be without them." No better regulator for the liver and bowels. Every pill guaranteed. Try them. Price 25c, at H. P. Dean's.—Advt.

LAW NOT OBSERVED

Female Help Works Overtime in This
City on Saturdays and
Pay Days

The revised statutes of Minnesota gives the following in regard to the employment of female help: "No female shall be employed in laboring in a mercantile establishment more than fifty-eight hours a week. No female shall be employed in laboring in a manufacturing or mechanical establishment more than ten hours in any one day. Every employer shall post in a conspicuous place a printed notice stating the number of work hours and the hours allowed for meals."

Female help is working more than this stipulated number of hours in this city. Saturday the hours amount to about eleven and one-half and the same is true of pay days. The strict observance of these wholesome hours of labor would be of advantage to the clerks and would work no hardship upon the employers if all were to observe them.

LADIES ARE BUSY

Perfecting Arrangements to Make the
State Federation Meeting a
Credit to the City

The ladies of the musical club are making extensive preparations for the meeting of the Federated Clubs of Minnesota. They are expecting the attendance to be two hundred or more delegates. The subjects to be discussed will be of great interest to all the people of Brainerd. Some of the speakers are among the leading women of the state. Among them are those who have made an intensive study of the things they mean to present. The climax of the addresses according to the anticipation of the ladies is the one to be delivered by Chancellor Vincent of the State University. He has been here a number of times and his presence is always greeted with pleasure. The places for the popular convocations have been so arranged that they can accommodate all who desire to come. It will be to the credit of our city if all take an interest in this assembly and do whatever possible to aid the different committees in their arrangements. Mrs. H. I. Cohen, president of the local club, will welcome any suggestions that will tend to the interest of the federation.

MUSIC AND DRAMA

"Hans Hanson" Coming

The Hans Hanson company, which will be the offering at the opera house Thursday, September 11, has been on the road continuously for fifteen years and for the past six years two companies have been presenting this ever popular play. It has been seen in every state and territory in the Union, with possibly two exceptions, and last season one company toured Canada, where the play met with the same remarkable reception that has characterized its tours of the United States. The popularity of the play is not limited to any particular section. Wherever it goes it is the same story—crowded houses and delighted audiences. Other plays that have been before the public deteriorate, and frequently managers foist inferior companies on the public with low salaried actors in the principal roles. Mr. McAlpin has always kept his companies up to standard and that is probably the reason for his remarkable success with this sterling comedy. Year after year the companies visit the various cities fortunate enough to be on their routes and invariably the companies are equal to those of previous years and from time to time improvements are being made that strengthen the organization. This season the vaudeville portion of the show has received Mr. McAlpin's careful attention. Five first class vaudeville members add great strength to the performance.

DUCK SHOOTING EASY

Artie White Bags Three Mallards
from Seat of Vehicle While
Going Hunting

A. C. White tells about bagging three ducks while driving out from town last evening. Three mallards had the temerity to fly overhead. Without leaving the seat Artie got the bunch. The White brothers and Louis Hohman had a fine string as long as your arm the other day.

The rice is not ripe in the lakes yet but the ducks are feeding in the watery holes near the lakes. They say there are more local ducks than they have ever seen before. The northern birds have not yet begun to fly. The hunters are securing mostly teal and mallards.

Keeler-Erickson

For the second time this year the home of Mr. and Mrs. Erick Erickson, 1020 Rosewood Street, was the scene of a pretty home wedding last evening when their daughter, Jennie C., was united in marriage with Mr. William J. Keeler of Aitkin. The wedding was delightfully simple in all its appointments. The service was read by Rev. Elbert E. Satterlee of the First Methodist Episcopal church in the presence of only the immediate family. The young couple will reside on a farm in Ross Lake township. Their many friends wish them well, a wish in which the Dispatch joins.

IF CONSTIPATED OR BILIOUS "CASCARETS"

For Sick Headache, Sour Stomach,
Sluggish Liver and Bowels—They
work while you sleep

Get a 10-cent box.
Take a Cascaret tonight to cleanse your liver, stomach and bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep are bilious, nervous, upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out. Are you keeping your bowels clean with Cascarets—or merely forcing a passageway every few days with salts, cathartic pills or castor oil?

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels.

Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.—Advt.

His father had not told him of his intention to send him away alone after the train had started and the father had jumped off the boy was scared and heart broken. Friendly passengers did what they could for him, provided him lunch and have determined to see him through to his destination. He is on his way to Faribault to the school for defectives there. F. G. Schaeffer, of Bemidji, was his chief benefactor. There were four other deaf and dumb scholars for the same institution in company with him. GIRLS! GIRLS! TRY IT. BEAUTIFY YOUR HAIR

Make it thick, glossy, wavy, luxuriant and remove dandruff—Real surprise for you

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Dandeline hair cleanse." Just try this—moisten a cloth with a little Dandeline and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Dandeline dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25 cent bottle of Knowlton's Dandeline from any druggist or toilet counter, and just try it.—Adv.

from the SELZ Factories — of Course

Last year they brought out the men's "Selz Waukenphast." The factory could not supply them fast enough. Shortage of supply was taken advantage of by rival shoe companies and imitation was in evidence—sincerest sort of flattery.

This Fall they come out with women's and children's shoes in the "Selz Waukenphast" last. They are now on the market in the East and judging from the advance sale, inside of two months another shortage is predicted.

A little deaf and dumb boy from Backus created quite a good deal of sympathy on the morning passenger. His father had not told him of his intention to send him away alone after the train had started and the father had jumped off the boy was scared and heart broken. Friendly passengers did what they could for him, provided him lunch and have determined to see him through to his destination. He is on his way to Faribault to the school for defectives there. F. G. Schadege, of Bemidji, was his chief benefactor. There were four other deaf and dumb scholars for the same institution in company with him. Chief of Police Quinn made arrangements for his transportation and care en route.

GIRLS! GIRLS! TRY IT. BEAUTIFY YOUR HAIR

Make it thick, glossy, wavy, luxuriant and remove dandruff—Real surprise for you

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Dandarine hair cleanse." Just try this—moisten a cloth with a little Dandarine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Dandarine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair. But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25 cent bottle of Knowlton's Dandarine from any druggist or toilet counter, and just try it.—Adv.

Suffered Eczema Fifty Years, Now Well

Seems a long time to endure the awful burning, itching, smarting, skin disease known as "tetter"—another name for Eczema. Seems good to realize, also, that Dr. Hobson's Eczema Ointment has proven a perfect cure. Mrs. D. L. Kenney writes:—I cannot sufficiently express my thanks to you for your Dr. Hobson's Eczema Ointment. It has cured my tetter, which has troubled me for over fifty years." All druggists or by mail, 50c. For sale by H. D. Dunn.—Adv.
